## Access day program

I have devised this program in the hope that I can provide ACE members aged 18+ with a quality of life that they deserve. Every five weeks activities will be reviewed to ensure nobody ever has the chance to get bored. I'm very keen to support access to an outstanding social life as much as I am keen to support access to learning new skills, this program is devised with both these factors in mind. ACE Access promotes independence.

ACE Access gives a reason to get up, get dressed and get out of the house which is so important for mental wellbeing. And most importantly, ACE Access provides just that, access to a life ACE members thoroughly deserve.

Thank you for your continued support.

ACE Access day prices may vary. This depends on duration of activity planned, number of attendees booked and also whether they attend supported or independently. The maximum cost of any ACE Access day will be £75.00

If your ACE member is entitled to funding, please ensure full funding is available to cover their place on our program.

ACE Access days must be pre booked and pre-paid at the beginning of each five week block.

*\*Please note\**

*We wish to continue to provide outstanding activities for all ACE members, including often leaving our local area. Due to current rises in fuel rates and prices within the hospitality industry, Prices have had to reflect these. Those requiring transport within their package will be charged £10pp each day. We hope you understand.*
